Sir:

**RESUBMISSION OF DECLARATION AND SUBMISSION  
OF SUPPLEMENTAL APPLICATION DATA SHEET**

Applicant submitted an executed Declaration, for the above-identified application on September 2, 2004, the second page of which contained the inventor's signature. Applicant additionally submitted an executed Assignment on September 2, 2004, also consisting of two pages, the second page containing the inventor's signature. Due to a clerical error, the Declaration signature page, which also contained the inventor's residence, citizenship and mailing address, was inadvertently attached to the first page of the Assignment, and was subsequently recorded. Similarly, the signature page of the

Assignment, which did not contain a residence, citizenship, or mailing address, was inadvertently attached to the first page of the Declaration.

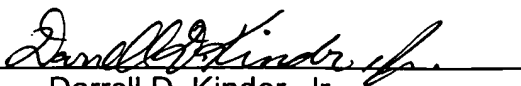

Due to this clerical error, Applicant was recently notified that the executed Declaration omitted the inventor's residence, citizenship, or mailing address. In conversations with Examiner Sun and Supervisory Patent Examiner Barlow on April 11, 2006, and April 18, 2006, the undersigned was informed that these omissions could be corrected by filing a Supplemental Application Data Sheet (Supplemental ADS) in accordance with 37 C.F.R. § 1.76. Accordingly, Applicant hereby submits the attached Supplemental ADS which correctly lists the inventor's residence, citizenship, and mailing address. Applicant additionally submits the originally executed Declaration and Power of Attorney, correctly identifying the inventor's residence, citizenship, and mailing address. It is respectfully requested that by submission of these documents, the inventor's residence, citizenship, and mailing address be corrected, and the application be passed to issue.

If any fees are necessary for the submission of these documents, please charge our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
